Here is the class, sewing schedule for the coming year. I am always on the lookout for more class teachers. If you know of something we could learn or someone who could teach us a new technique let me know.

The Colleen Blackwood class is going to be \$35. She provides the patterns. There is a sign-up sheet with supply list included.

Eddie Walker has a choice of 2 different patterns. We will need to vote on which one we want. I will have more info at October meeting. Her class will be \$25. You will need to buy her pattern.

Open sew days have a \$5 charge for the facility. Special sew days are no charge if you are working on fire, baby or honor quilts?

A group is still sewing at the Hurricane Creek Grange on Wednesdays. 9-4, potluck lunch, no charge, come for all day or just an hour or two.

I am looking forward to a fun year of quilting. You can call me or email with any questions.
